FOR IMMEDIATE RELEASE

## NextDecade Appoints Matt Schatzman as President

*29-Year Energy Industry Veteran Matt Schatzman Joins NextDecade*

**THE WOODLANDS, Texas, USA** (September 11, 2017) – NextDecade Corporation (NASDAQ: NEXT) (“NextDecade”), a liquefied natural gas (“LNG”) development company focused on LNG export projects in Texas, announced today that Matt Schatzman has been appointed to the newly created position of President. In this role, Schatzman will report to Chairman and CEO, Kathleen Eisbrenner and will strengthen NextDecade’s management team as it works towards positive final investment decisions on the Rio Grande LNG and Rio Bravo Pipeline projects.

Schatzman, 51, was Executive Vice President Global Energy Marketing and Shipping and a member of the Group Executive Committee at BG Group (“BG”). At BG, Schatzman was responsible for the company’s global marketing, trading and shipping activities for LNG, crude oil and natural gas. During his tenure with the company, Schatzman played a pivotal role in the success and growth of BG’s LNG business, transforming it from a US market focused business into a global leader in flexible LNG supply and trading. Prior to joining NextDecade, Schatzman was President of MKS Energy, LLC, where he provided energy advisory and consulting services.

“I am thrilled to have Matt join me at NextDecade to help lead our organization,” said NextDecade Chairman and CEO, Kathleen Eisbrenner. “Matt has extensive experience operating global LNG and US natural gas businesses and a proven track record that will help NextDecade deliver the Rio Grande LNG and Rio Bravo Pipeline projects.”

“I am excited to join NextDecade at this stage of its development and to work with Kathleen and the talented team she has assembled,” said Schatzman. “I believe the company has excellent projects in Rio Grande LNG and the Rio Bravo Pipeline and NextDecade is well-positioned to be a highly competitive supplier of low cost LNG to global markets,” Schatzman added.

In July 2017, NextDecade became a publicly listed company on the Nasdaq following its business combination with Harmony Merger Corp.
