

Aggreko Makes *Houston Business Journal's* Top Upstream Oilfield Equipment Provider List for Second Consecutive Year

HOUSTON – April 22, 2015 – Aggreko, a global leader in [rental power](#), [temperature control](#), and [oil-free compressed air solutions](#), is one of the 25 companies recognized by the *Houston Business Journal's* Top Upstream Oilfield Equipment Provider list, ranking 16 overall. The Top Upstream Oilfield Equipment Provider list is developed by the publication's independent research, SEC filings, and a questionnaire completed by company representatives.

Aggreko assists oil and gas exploration and production sites by supplying a reliable source of power quickly when traditional grid power cannot meet operator's needs. The company provides contingency planning, onshore and offshore temporary power generator rentals for primary power to job sites, load bank rentals and oil-free air compressor rentals.

"It's an honor to again be recognized as one of Houston's top upstream oilfield equipment providers," said David Dickert, Head of Oil & Gas, Aggreko Americas. "Our appearance on the *Houston Business Journal* list is due in part to the strength of our ability to custom engineer innovative temporary power and temperature control solutions for fast-growing oil and gas energy markets and to Aggreko's dedicated employees who deliver quality technical expertise and customer satisfaction every day."
